### Why English at Buffalo State?

student-teacher ratio of 20:1 • historic campus setting • over 150 years of excellence • student-run literary and arts journal • scholarship opportunities • renowned faculty • and so much more!

### Our Mission

We recognize the contemporary demand for analytical, literate, and creative thinkers. We strive to empower students, through the study of literature and language, to use these skills to contribute to their workplaces and communities and throughout their lives as lifelong learners.

### Graduate Programs

#### English Education (7–12; M.S.Ed.)

This graduate program provides flexibility in meeting individual interests while ensuring a broad understanding of the various aspects of teaching English. The program develops highly qualified teachers who are prepared to exercise leadership as accomplished professional educators.

#### English MA

The Master of Arts in English program builds upon students' undergraduate work in English by offering the opportunity to study several different areas of concentration in depth. It also serves as an excellent preparatory program for doctoral-level study in English.
