## Undergraduate Programs

**B.A. English:** Explore the human condition through the lens of literature and language. With an emphasis on critical thinking, research, and oral expression, students gain a diverse skill set that is transferable to many industries and professions.

**B.S. English Education:** Inspire the next generation of communicators! This program provides a pathway to gaining a New York State initial certification to teach English in grades 7-12.

**B.A. Writing:** Hone the craft of writing with the study of literature, theater, television, and communication arts. The writing degree develops creative, professional, technical, journalistic, and literary writing skills.

## Why English at Buffalo State?

student-teacher ratio of 20:1 •  
historic campus setting • over 150  
years of excellence • student-run  
literary and arts journal •  
scholarship opportunities •  
renowned faculty • and so much  
more!

### Our Mission

We recognize the contemporary demand for analytical, literate, and creative thinkers. We strive to empower students, through the study of literature and language, to use these skills to contribute to their workplaces and communities and throughout their lives as lifelong learners.

### Graduate Programs:

#### English Education (7-12; M.S.Ed.)

Develops highly qualified teachers who are prepared to exercise leadership as accomplished professional educators.

#### English MA

Builds upon students' undergraduate work in English by offering the opportunity to study several different areas of concentration in depth.

### Certificates:

**Technical Writing:** Hone your ability to analyze and interpret technical information for a variety of audiences.

**English Education:** This program leads to eligibility for NYS initial certification.
